[MR Magazine](#) and [Wainscot Media](#) are proud to announce the honorees of the 2024 MR Awards. [The MR Awards](#), celebrated by the magazine and the menswear industry since 2006, recognize merchants, brands, and personalities that are truly making a difference - in our industry and in our world.

“I can’t believe it’s been almost 20 years since the inaugural MR Awards event. Since 2006, we have honored the best of the best, and this year is no exception. We look forward to reconnecting menswear retailers, designers, and brands at another stellar MR Awards dinner at the beautiful Gotham Hall,” says Lizette Chin, Group Publisher, and Sr. Vice President MR Magazine and Wainscot Media.

“The MR Awards Dinner is always my favorite night of the year,” says Karen Alberg Grossman, MR’s Editor-in-Chief. “Not just because the recipients are such powerful role models but also for the warmth and camaraderie that fills the room when long-time friends get together. This year’s honorees are especially worthy, representing core values so critical to success, including diversity, generosity, and risk-taking. Congratulations to all!”
